### 1-40 4TH St./Butler Ave. Project

**Location:** Flagstaff, AZ

**Owner:** Arizona Department of Transportation (ADOT) & City of Flagstaff

**General Contractor:** FNF Construction, Inc.

**Other Stakeholders:** Federal Highway Administration (FHWA)

### About the project:

ADOT awarded this contract to FNF using the design-bid-build procurement method. Work consisted of widening and replacing the existing bridges at the 4th Street Underpass using the slide method of construction and rehabilitation of the existing bridge decks at the Butler Avenue Overpass. The project was allowed 17 days for a full closure of 4th Street to demo two existing bridges, slide two bridges into place, reconstruct the roadway and open traffic. FNF worked 24/7, with 18 separate crews, and used only 15 of the 17-day closure.
